Name of Presenter		
_____	<input type="checkbox"/>	Consider for SIAM prize
Institution		
_____	<input type="checkbox"/>	Consider for AWM prize
Length of Talk		

To the Evaluator: Please evaluate the student paper on each of the criteria below using the following scale. Turn in your evaluation to the moderator by the end of the session.

5 **Exemplary** (one of the best student papers I have ever heard)

4 **Excellent** (strong candidate for an award; comparable to past award winners)

3 **Good** (possible candidate for an award)

2 **Adequate** (probably not a candidate for an award)

1 **Not recommended for an award**

A _____ **Topic and Level** [appropriateness for anticipated audience]

B _____ **Organization/Preparation** [structure; depth and breadth of allotted time]

C _____ **Presentation** [diction; clarity; pace; enthusiasm; rapport with audience]

D_____ **Understanding** [command of subject; responsiveness to questions]

E_____ **Use of visual aids and/or chalkboard** [readability; complementarity with oral presentation]

F_____ **Exposition:** [general interest in subject; integration of ideas; scope]

Or Research: [quality; originality in content and/or approach]

_____ **Total Score**

Please put constructive criticism to student on back of page and it will be shared with the student. Remarks on the front of the page will remain confidential.

Remarks to consider in judging:
